

**During the WPGA 2022 the local rules below are in force. These local rules replace the local rules on the score card and are additional on the terms and conditions of the WPGA!**

**1. OUT OF BOUNDS (R 18-2)**

Marked by white stakes and/or wooden edging. Where Out of Bounds is defined by wooden edging white stakes only serve to identify the type of boundary

**2. ABNORMAL COURSE CONDITIONS AND IMMOVABLE OBSTRUCTIONS (R 16-1)**

- a) GUR is marked with blue stakes (with or without green top) and/or blue/white lines. GUR indicated by blue stakes (with or without a green top) or sign "GUR" is a no-play zone, relief **MUST** be taken under rule 16-1f. In all other cases relief **MAY** be taken under rule 16-1b.
- b) Staked trees including their tree wells are immovable obstructions. Relief **MUST** be taken under rule 16-1f.  
Tree wells of non-staked trees are integral part of the course.
- c) Immovable obstructions close to Putting Green: see committee procedure 8F-5 (relief for line-of-play), but only if the ball and the obstruction are in the general area cut to fairway height or less and the obstruction is within two club lengths of the green and within two club lengths of the ball.
- d) Interference by a hole, cast or runway made by an animal with a player's stance is deemed not to be interference under rule 16-1.
- e) Animal dung may be treated either as a loose impediment or GUR from which relief is allowed.
- f) Rule 16-3 has been modified. Free relief is not allowed when a ball is embedded in soil faces above bunkers.
- g) If a dropping-zone (DZ) has been established for GUR or an immovable obstruction and if the player is entitled to relief, the player may continue play in accordance with the applicable rule or drop the ball in the nearest DZ, even if this is closer to the hole. A dropping-zone is a relief area under rule 14-3.

**3. PENALTY AREAS**

Marked by yellow or red stakes and/or wooden edging. Where the margins of a penalty area is defined by wooden edging the stakes only serve to identify the type of penalty area.

**4. ADDITIONAL**

- a) Exception 2 to Rule 11.1b applies unless a ball played from the putting green accidentally hits the player, the club the player played with or an animal defined as a loose impediment (ie worms, insects and similar animals that can be easily removed). In that case, the stroke counts and the ball must be played as it lies (Model Local Rule D-7).
- b) A player will incur no additional penalty if he applies the back-on-line relief option and plays a ball that came to rest outside the relief area but was dropped into the relief area under the applicable Rule (Rule 16.1c(2), 17.1d(2), 19.2b or 19.3b), and where the ball played was within one club-length from where the ball touched the ground after the drop (Model Local Rule E-12).
