

Dear Teams,

How nice that you and your team are participating in our **WPFGRugby 7's tournament**. We are really looking forward to it!

We send you extra information about the tournament and additional services in advance.

**Registration and captains meeting:**

You and your team are expected at Rotterdam Rugby Club (RRC), located Duivenpad 12 in Rotterdam, on Saturday 23 July from 10:00. The captain/coach can do the registration of the team, your team will be assigned a team-buddy and you can prepare for your 1st match. Your teambuddy is familiar with our rugby club, you can go to him/her with your first questions. Captainsmeeting will take place on Friday 22 July at 15:00 at RRC and is meant for the captains and/or coaches.

**Tournament schedule:**

The tournament runs from Saturday 23 July to Monday 25 July. On Monday 25 July the cross-finals and finals will take place.

The tournament schedule is online and can be found at <https://www.myTournament.info/11702>. Through this site you can find the complete tournament schedule (times, field, results, rankings per division). It is also fun for family, friends, colleagues and other interested parties to watch your performances.

**Services for lunch and dinner party:**

**Lunch**

We offer you or your team the opportunity to purchase packed lunches, which you can consume during the event. These extensive lunch packages are freshly prepared each day and will be available for your team.

A package consists of 2 sandwiches, 1 wrap, 1 powerbar, 1 lunch roll, 1 bottle of water, 1 bottle of juice and 2 pieces of fruit. You can order these packages in advance. One package costs €12.50 per person. It is also possible to pass on dietary requirements (such as halal, vegan). A team pack consists of 13 packed lunches in a box and costs a total of €162.50.

**Party**

On Sunday 24 July, after the last matches played, we will organize a party in the marquee for teams and volunteers. The party will last until 20.00 hrs, as you will have to play again the next day. We offer a buffet dinner, where you can choose from various dishes (also vegan).

We can offer this for a fee of €19.95 per person.

Please let us know if you and your team would like to join us and, if so, with how many people.

**If you want to use services register before 20 July, click here > [Services WPFGRugby Sevens](#)**

**Matches:**

All matches will be played on natural grass pitches. The warm-up takes place on the artificial turf field, which is located between the two match fields. Depending on the time slot in the match schedule, your team will be given a part of the pitch (for each match, 4 teams must warm up at the same time).

Your team is expected to be at the right field 5 minutes before kick-off. Please coordinate with your teambuddy for the right times and make sure you are on time. The referee and linesmen will take the match balls with them at every match and also collect them after the match.

**Dressing rooms/ sanitary facilities:**

You and your team can use one of the assigned dressing rooms with toilet and shower facilities.

Please note that you will need to bring all your belongings. The dressing rooms are also used by other teams.

**Hospitality:**

On the artificial grass field behind the RRC Rugby Clubhouse a tent has been erected, where you and your team will be allocated a space. You can retire there and leave your things behind during the matches. Access to this tent is restricted to teams and staff members, our volunteers will supervise this.

Please note: valuables should be taken to the field (collected in a common bag or crate). We, as the organization, are not responsible for possible loss and/or theft.

You can buy refreshments in the Rugby clubhouse and at a number of sales outlets around the clubhouse. For reasons of convenience, speed and safety, we work with a coin system. You have to buy coins in advance. At the sales point at the entrance of the field you can pay with pin/credit card (note: only Visa/Mastercard). Purchased coins will not be taken back afterwards.

At the other sales points, you cannot pay with cash/ pin or credit card, only with pre-purchased coins.

**Code of conduct:**

We want to run a nice and enjoyable tournament together. Of course we assume that you will participate with the same intentions. Disruptive behavior will not be tolerated, where necessary you will be addressed as captain. As real rugby fans we assume that you will pay attention to this.

We are looking forward to a sporty and enjoyable tournament, are you?

Best regards,

Emma van Hattem  
Marcel den Breejen  
Rowan van Wely
